

THE ELBA CLIPPER

Published Every Thursday Morning

R. C. Bryan ---- Owner-Publisher

Entered as second class matter
July 18, 1925, at the Postoffice
at Elba, Alabama, under Act of
Congress of March 3, 1876.SUBSCRIPTION PRICE
One Year \$1.50
Six Months 75
CASH IN ADVANCE"Dam Bill Will Pass"—Head
line in the paper.Everybody has a guaranteed
cure for cold except the doctor.Being denounced is hardly
offensive than hearing a rival
praised.Charles Larkins of Missouri
claims a 20-year-old hen still
lays. Or he lies.A Mr. Wise of Kansas, alleged
to have five living wives, once
illustrates how little there is in
a name.A writer declares that it is
hard to understand a girl before she is
married. And even harder after.Boston lady cook quit when the
man of the house talked rudely
over the table, thinking his wife
was on the line.With 12 traps a Denver man
got to take only one trick. He had
to trump the ace of his partner,
and then shot him.Sir Basil Paoz says that "hu-
man speech is still in a very primitive
condition." A good many
married men will dissent.Chicago bankers offer \$25,000
for each robber killed in action,
probably with a view to relieve
unemployment among gunmen.A certain soap is said to be 99.44
per cent pure, and floats. Any
soap bootleg liquor is 99.44 per cent
impure and will make your head
swim.

TRAIN AIRPLANE

BRUNSON NEWS

The health of this community is
very good at present.Mr. Daniel Shiver is visiting his
father in Elba this week.Mr. Gary Parham spent Saturday
night at Mr. C. C. Goodson's.Mr. Dave Nolin spent Sunday
afternoon with Mr. C. C. Goodson.The amazing thing is that most
accidents are preventable if
proper care is taken.Obviously there are only
two principal causes of accidents—
careless driving and mechanical
breakdowns.Even the most careful
driver is helpless when his car
fails to function in an emergency.It seems almost impossible
to convert a car into a reckless
driving beast, but it is not
entirely impossible.Mechanics say that Saturday
night, Mr. Andrew Shiver, of Elba,
was driving his car so recklessly
that he nearly hit a car.It is not possible to prevent
accidents that may occur, but
it is possible to prevent many
of them.The more greater carefulness
in this respect leads to a
marked reduction in the
number of accidents.It is not possible to prevent
accidents that may occur, but
it is possible to prevent many
of them.The more greater carefulness
